

STRENGTH YOU CAN TRUST

# COMPANY PROFILE

**KB Steel**

Serving Pakistan's Steel Needs Since 1950

## Who We Are

### DELIVERING QUALITY STEEL, NATIONWIDE & BEYOND.

KB Steel is a pioneer in the steel trading and distribution Company of Pakistan. With over 70 years of legacy, we are known for supplying premium-quality steel products to industries ranging from construction and manufacturing to energy and infrastructure.

We are committed to excellence, timely delivery, and customer satisfaction, offering a wide product portfolio that includes MS Plates, Hot & Cold Rolled Sheets, Structural Steel, Pipes, and more.

OUR COMPANY

# Vision & Mission

✓ **Our Vision**

To be Pakistan's leading and most reliable steel supplier, recognized for innovation, integrity, and customer-centric solutions.

✓ **Our Mission**

- To deliver high-quality steel at competitive prices.
- To maintain long-term relationships with clients through service excellence.
- To stay ahead by continuously upgrading our technology, operations, and product range.

## Message of CEO

At KB Steel, we take pride in being a trusted name in Pakistan's steel industry. Our commitment to quality, reliability, and customer satisfaction has enabled us to provide top-grade Hot Rolled Coils, Cold Rolled Sheets, MS Plates, Galvanized Products, and Structural Steel to various industries.

With years of expertise, we ensure that every product meets international quality standards, offering durability and strength for construction, manufacturing, and engineering needs. Our focus on innovation and efficient supply chain management allows us to provide cost-effective solutions with timely delivery.

WE SUPPLY A COMPREHENSIVE RANGE OF STEEL PRODUCTS:

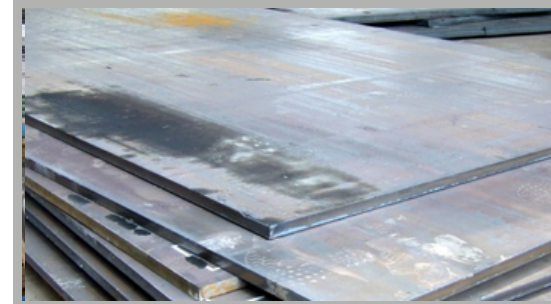

**HOT ROLLED COILS & SHEETS**

**MS PLATES**

**MS CHEQUERED PLATES**

**BOILER PLATES**

**Z PURLIN**

**MS PIPE**

**COLD ROLLED COILS & SHEETS**

**GALVANIZED PRODUCTS**

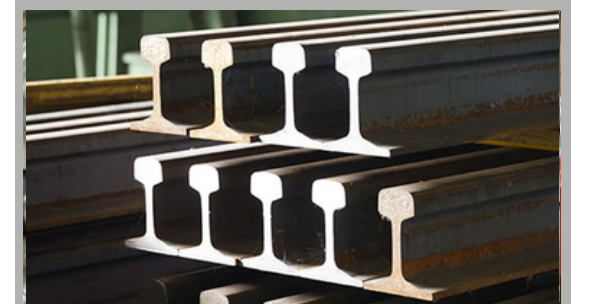

**GALVANIZED & PPGI CORRUGATED**

**COLOR COILS & SHEETS**

**MS ROUND BARS**

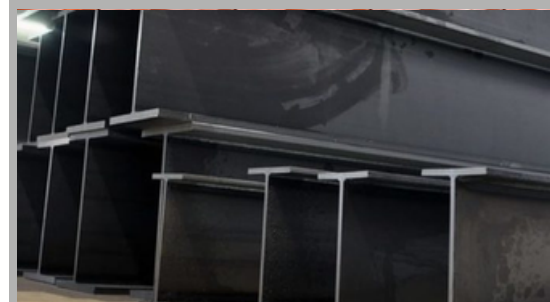

**MS RAIL**

**MS ANGLES**

**MS CHANNEL**

**H BEAM & I BEAM**

**MILD STEEL FLAT**

**MS DEFORMED BARS**

**SOLAR STRUCTURE**

# Our Services

FORGING STRENGTH, ENGINEERING TOMORROW

## Warehousing & Power Backup

Our warehouses are fully covered and equipped with advanced material handling machinery, operated by highly skilled technical staff.

## Loading & Unloading Backup

We use heavy-duty overhead travelling cranes with a capacity of up to 40 MT for smooth and timely loading of materials onto carts for delivery.

## Transportation

We provide on-demand transportation services to ensure safe and timely delivery of goods directly to your doorstep.

## Shearing Machine

Our heavy-duty hydraulic shearing machine can straighten MS sheets up to 16 MM and cut them to required sizes, with a maximum length of 6000 MM.

## Sheet Fabrication

We provide top-quality Sheet Fabrication Services for industrial and commercial applications.

ENGINEERED FOR INDUSTRY DEMANDS

# Industries We Serve

## Forging Excellence Across Industries

Where cutting-edge metallurgy meets innovative design to deliver strength, precision and sustainability across industries."

### Construction:

Beams, columns, and structural steel

### Fabrication:

Machinery, tanks, heavy equipment

### Energy Sector:

Solar panel structures, pipe networks

### Automotive:

Body parts, frames

### Engineering:

Equipment manufacturing

Daewoo
